COMPETITION

The Championship will include two competitions.

1. World Club Championship

- Women Teams and Men Teams
- players must represent a registered club from their country
- it is recommended to select the teams from your national first league to ensure the high level of the competition and the prevention of disappointment on both sides
- the teams from lower leagues or individuals are invited to participate in World Open Championship
- official IKBF rules, close defence allowed

2. World Open Championship

- mixed gender teams
- players are free to create their own teams but there must be 2 women and 2 men on the playground
- official IKBF rules, close defence allowed

The system of the games will be decided by IKBF after the registration of the teams.
